Dear

One-to-One Tuition

You may be aware that the Government has made a commitment to supporting the provision of One-to-One Tuition for children in literacy and mathematics.

Your child has been selected for the second group involved in **ten one hour sessions of individual tuition** in English or Mathematics. This will reinforce teaching received in English or Mathematics lessons in class. The additional tuition will be taught by teachers from The Venerable Bede commencing in May 2010.

NAME will have an individual programme of tuition and activities tailored to HIS/HER particular needs. This will include suggestions for follow up work at home where appropriate.

I hope that you will support NAME in this work, which promises to be both stimulating and fun. If you have any questions or would like to know more about One to One tuition please contact the following members of staff:

- English One to One tuition – **Mrs Cummings, Assistant Vice Principal**
- Mathematics One to One tuition – **Mrs Louhi, Head of Mathematics**

Yours sincerely

Mrs M Cummings
